2904 4th Avenue NE
Puyallup, WA 98372-7053*

Conference Outline

- Impact of 5010 EDI Changes
- Implementing for ICD10
- Payor contracting, negotiating, use of data
- Incorporating outcomes tools and measures
- Practice software and tools: implementation facts and myths
- Credentialing
- Medicare provider re-credentialing

PLUS

Panel Discussion: Different Practice Delivery Models

AND

Administrative Tract: Interaction Coaching and Strategies for improved cash collections.

Objectives

After attending this conference, the participant will be able to;

- Understand all requirements of ICD10 and documentation changes
- Use internal data and outcomes information to improve management
- Utilize payor contracting tools to negotiate more effectively
- Select most efficient software system components

This conference was designed to not only benefit the practice owner, but will have very useful information for administrative and billing managers.

9.0 CEUs will be awarded upon completion of this conference.

Presenter

John Wallace, PT, OCS, has over 25 years of experience in private practice physical therapy and in a variety of other settings. He currently serves as CEO of BMS Reimbursement Management. He has presented numerous times nationally and is a regular presenter at the PPS National Conference. John presented previously at the Spring Conference in Chelan and has been invited again by popular request.
